

INTELLIGENCE CENTRAL

THE FUTURE OF EXECUTIVE PROTECTION

EXECUTIVE PROTECTION OPERATIONS CENTER BY TAM-C

The EPOC serves as a dynamic hub staffed by seasoned EP professionals, former law enforcement and special ops personnel, experienced intelligence analysts, and native language subject matter experts.

Think of it as a 24/7 augmentation of your security team to provide unmatched real-time intelligence and threat mitigation services tailored to meet the unique needs of your executives domestically and worldwide.

GLOBAL INTELLIGENCE ADVANTAGE

Access real-time, client-specific intelligence no matter where your executives are located. Our dedicated Intel Officers deliver verified and vetted intel 24/7, ensuring that you stay ahead of potential threats worldwide.

TACTICAL OPERATIONS EXCELLENCE

Leverage advance planning and live geofenced covered operations to proactively mitigate risks. Our experts provide tactical intelligence that helps you avoid incidents of impact, guaranteeing the safety of your executives in any location.

SEAMLESS COMMUNICATION NETWORK

Enhance your protection with secure and direct communications, including location-based tracking, to maintain constant contact with your team and executives. Stay informed and connected, regardless of the destination or circumstances.

CUTTING-EDGE TECHNOLOGY

Access our proprietary DART platform for instant intelligence updates and sentiment analysis. Our patented threat platform, powered by AI/ML, provides vetted and refined results, delivering unrivaled insights into potential threats worldwide.

COMPREHENSIVE SUPPORT

TAM-C stands by your side throughout the entire process, offering planning assistance, real-time intelligence, direct reporting, and a detailed summary of operations. We are committed to ensuring the safety and success of your executives, no matter where their business takes them.

Trust TAM-C's EPOC to elevate your executive protection operations on a global scale. Contact us today to learn more about how we can tailor our services to provide unmatched security for your high-value executives, wherever they are, wherever they travel.

LET'S DISCUSS YOUR INTELLIGENCE NEEDS
